Purchaser is purchasing the Shares for investment for Purchaser's own account only and not with a view to, or for resale in connection with, any "distribution" thereof within the meaning of the Securities Act.

(b) **Investment Representations.** Purchaser understands that the Shares have not been registered under the Securities Acts by reason of a specific exemption therefrom, which exemption depends upon, amongst other things, the bona fide nature of Purchaser's investment intent as expressed herein. Purchaser also understands that the Shares are being offered and sold pursuant to an exemption from registration contained in the Securities Act based in part upon Purchaser's representations contained in this Agreement. Purchaser hereby represents and warrants as follows:

(i) **Purchaser Bears Economic Risk.** Purchaser has substantial experience in evaluating and investing in private placement transactions of securities in companies similar to the Company so that it is capable of evaluating the merits and risks of its investment in the Company and has the capacity to protect its own interests. Purchaser understands that the Company has no present intention of registering the Shares or any shares of its Capital. Purchaser also understands that there is no assurance that any exemption from registration under the Securities Act will be available and that, even if available, such exemption may not allow Purchaser to transfer all or any portion of the Shares under the circumstances, in the amounts or at the times Purchaser might propose.

Further, Purchaser is aware of no publication of any advertisement in connection with the transactions contemplated in this Agreement.

(iv) Accredited Investor. Purchaser represents that it is an accredited investor within the meaning of Regulation D under the Securities Act.

(v) Rule 144. Purchaser acknowledges and agrees that the Shares are "restricted securities" as defined in Rule 144 promulgated under the Securities Act as in effect from time to time and must be held indefinitely unless they are subsequently registered under the Securities Act or an exemption from such registration is available. Purchaser is aware of the provisions of Rule 144, which permits limited resale of shares purchased in a private placement subject to the satisfaction of certain conditions, including, among other things: the availability of certain current public information about the Company, the resale occurring following the required holding period under Rule 144 and the number of shares being sold during any three-month period not exceeding specified limitations.

Purchaser shall not sell, dispose of, transfer, make any short sale of, grant any option for the purchase of, or enter into any hedging or similar transaction with the same economic effect as a sale, any Capital or other securities of the Company held by Purchaser, including the Shares (the "**Restricted Securities**"), during the 180-day period following the effective date of a registration statement of the Company filed under the Securities Act (the "**Lock Up Period**") (or such longer period, not to exceed 18 days after the expiration of the 180-day period, as the underwriters or the Company shall request in order to facilitate compliance with NASD Rule 2711). Purchaser agrees to execute and deliver such other agreements as may be reasonably requested by the Company and/or the managing underwriters which are consistent with the foregoing or which are necessary to give further effect thereto. In order to enforce the foregoing covenant the Company may impose stop-transfer instructions with respect to Purchaser's Restricted Securities until the end of such period. The underwriters of the Company's stock are intended third party beneficiaries of this Section 10 and shall have the right, power and authority to enforce the provisions hereof as though they were a party hereto.

11. Rights. The Company shall deliver customary audited (as may be required) annual financial statements, budgets and a brief monthly update to the Purchaser on request. The Company hereby undertakes to grant to the Purchaser information rights as granted to any other

Should the Company's participation in the Food-X Program be so terminated, the Original Purchase Price shall be returned to the Purchaser. If the full Original Purchase Price is not so returned then Purchaser shall retain the Shares on a pro rata basis to the amount of the Original Purchase Price not returned to Purchaser.

Purchaser shall present for cancellation the certificates representing the appropriate Shares and any other equity interest in the Company held by Purchaser, and Purchaser shall otherwise take any action reasonably necessary to terminate and relinquish any and all rights and benefits with respect to those Shares and any other equity interest held by Purchaser in the Company.
